Background

ApplyBoard empowers students around the world to access the best education. To date, ApplyBoard has become the world's largest online platform for international student recruitment, assisting more than 150,000 students with their educational journey. In 2020, ApplyBoard was named one of the fastest-growing technology companies in Canada and North America by Deloitte, ranking #2 on the Technology Fast 50™ list and #14 on the Technology Fast 500™.

History

Founded in 2015, the company has built partnerships with over 1,500 primary, secondary, and post-secondary institutions. We work with more than 5,000 recruitment partners to drive diversity on campuses across Canada, the United States, the United Kingdom, and Australia. ApplyBoard has more than 750 team members in 20 countries.

Service Overview

ApplyBoard simplifies the study abroad search, application, and acceptance process by connecting international students, recruitment partners, and educational institutions on one platform. Intuitive and personalized, our platform is designed to help students—as well as our partner schools and agents—succeed. Through our structured vetting system, students have a 95% chance of receiving an offer letter to their program of choice.
